CITIZENS URGED TO PLACE LIGHTS ON LIVING TREES

Unique Christmas Feature
Gains Popularity In
California

"An outdoor Christmas Tree for
Every Home."

This slogan is being broadcast
throughout the State by the Out-
door Christmas Tree Association of
California reorganized this week
in San Francisco to urge the de-
coration of living outdoor trees
during the coming holiday season.

The 1929 movement was formal-
ly launched at the Sir Francis
Drake Hotel last Friday noon at a
big luncheon rally attended by
several hundred representatives
of women's clubs, chambers of
commerce, forest and conservation
bodies, service clubs, park com-
missions and development associ-
ations from all parts of California.

Governor C. C. Young and John
McLaren, Superintendent of Gold-
en Gate Park in San Francisco,
were the guests of honor. Clar-
ence F. Pratt, president and or-
ganizer of the Outdoor Christmas
Tree Association of California,
presided.

"California is the land of Christ-
mas out-of-doors," declared Pratt.
"Think for a moment what a won-
derful sight it would be if every
city and town in this state were
to have a great outdoor Christ-
mas party and everyone whose
garden is graced with a suitable
tree were to convert it into a live,
sparkling Christmas tree, blink-
ing with colored lights. Last year
thousands of decorated outdoor
trees brought fame to California
as the news spread to all parts
of the world. Let us unite to
make our slogan 'an outdoor
Christmas tree for every Califor-
nia home' come true this year."

The objects of the Outdoor
Christmas Tree Association are:

1. To assist in the preservation
of the forests of California.
2. To advertise California's won-
derful all-year-around outdoor cli-
mate.
3. To teach the children, as well
as the grown-ups, forestry.
4. To encourage the planting
and caring for of outdoor living
Christmas trees by the children.
5. To give pleasure to those
who see the electrically lighted
and decorated outdoor trees.
6. To bring back the old-fash-
ioned Christmas family reunion.

NILES RESIDENT VICTIM OF FATAL LUNG ATTACK

Stricken with a sudden attack
of pneumonia, George Wilson, 32,
a resident of Niles and employed
by the International Wood Pro-
ducts company, died Saturday
night at his home here. He
leaves a widow, Mrs. Jane Wil-
son, and two children, Ilene, 4,
and Harold, 6.

Surviving him also are his par-
ents, Mr. and Mrs. Joseph Wil-
son, and a brother, Henry.

Wilson was taken sick Thurs-
day. His condition was appar-
ently improving until Saturday
night, when it took a sudden
turn for the worse. Dr. E. C.
Gruau was in attendance.

Funeral services will be held
at 2 o'clock tomorrow afternoon
from the Botelho funeral parlor
at Centerville. Interment will be
at Mt. Eden cemetery.

Estimated returns to lettuce
growers of San Fernando Valley
for fall lettuce crop placed at
\$460,000.—Van Nuys News.

TO OUR PILGRIM FATHERS WE PAY HOMAGE

ONCE AGAIN Thanksgiving has rolled around and today we have the honor of paying our respects to those hardy pioneers who braved the wilds of a new land, and upon this date more than three hundred years ago offered up their thanks to God Almighty for the bounties they had received. Let us always be thankful for our blessings, whether they be large or small for the same God is caring for us, who cared for the Pilgrims.

Tax Rate Is Announced For Alameda County Water Bond

By CHRIS RUNCKEL,
Secretary Alameda County Water District

The tax rate this year for the
Alameda County Water District
is fifty-five cents on each \$100.
of assessed property valuation.
This tax will raise \$50,000, of
which \$45,000 is to be used as
the initial payment on the pur-
chase of water rights at Alvarado.
The other \$5,000 will be used to
help pay the expenses of the dis-
trict for the current year.

Next March the voters will be
asked to vote a bond issue of
\$25,000 to pay the balance on the
purchase of the pumping rights
and other property. The question
naturally arises as to what the
annual tax rate must be to meet
the interest on the bonds and the
annual payment on the principal.
This annual payment will depend
on how many years are to be
taken to pay off the bonded in-
debtedness. It has been sug-
gested that the life of the bond
issue be twenty-five years. The
payment each year for the first
five years can be placed at
\$5,000; for the second five years,
\$7,500; for the third five years,
\$10,000; for the fourth, \$12,500;
and for the fifth, \$15,000.

It is believed that with the
improving conditions of the bond
market the interest rate can be
fixed at five per cent. Assuming
this to be the rate, the interest
on the \$250,000 for the first year
will be \$12,500. Adding to this
the payment on the principal of
\$5,000, will make a total of \$17,500
to be raised by tax next year on
the bond issue.

The present assessed valuation
of the district is nine million dol-
lars. Each cent of tax on \$100

assessed valuation will raise \$900.
To raise \$17,500 to meet the in-
terest and the annual payment
will require a tax rate of nine-
teen and one-half cents.

With the yearly decrease in
the amount of the interest as the
principal is paid off and with
the gradual increase in the total
assessed property valuation of the
district the rate for the first
year will be the highest tax rate
required for any one year to meet
the requirements of the bond is-
sue.

If the land to be acquired with
the pumping rights is sold, the
money raised can be used to cut
down the principal of the bonded
indebtedness and thus decrease
the annual interest charge and in
this way the tax rate may be
reduced.

On a property assessment of
\$1,000 the bond tax can be es-
timated at about \$2 a year; on a
\$5,000 assessment, \$10, etc.
The bond issue of \$250,000
represents less than three per
cent of the present assessed val-
uation of the district. Compared
to irrigation districts generally,
this is a very low per cent.

Railroad is Inviting Hoboes to Leave Niles

It's, "come on, bum, start mov-
ing," around the Niles yards of
the Southern Pacific company
these days.

Special agents for the railroad
company are conducting a drive
against the Weary Willies in this
vicinity. A number of freight cars
are reported to have been broken
into and robbed here during the
last few weeks.

The tramps are being brought
before Justice of the Peace J. A.
Silva and given one hour in which
to get out of town. They are be-
ing instructed to use the high-
ways instead of the railroads on
the way out.

THANKSGIVING

By presidential decree, a day
of national observance is an-
nually set aside to the end that
the American people may offer
their devotions to the Creator
of the Universe in special rec-
ognition of the many blessings
that have been manifested to
them during the year.

Our people are not unmind-
ful of the graciousness that
Providence has extended to
this nation. They deeply ap-
preciate the significance of this
annual day of meditation and
thanksgiving, and attest this
sentiment by gathering in their
respective houses of worship to
voice their gratitude for the
many good things that they
share alike.

We, as a nation, may with
entire appropriateness make
every day of the year an oc-
casion of rejoicing for the
many and varied beneficencies
which we commonly enjoy.

2 CARS CRASH IN GAME RUSH LAST SATURDAY

Two cars, one belonging to F.
L. Williams of Stockton, and the
other to R. J. O'Connell, of Mo-
desto, met with grief on the
Niles-Mission San Jose road Sat-
urday morning while on their
way to attend the Stanford-Cal-
ifornia football game at Stanford.
Miss Williams was cut and bruised
by flying glass and was taken
to a San Jose hospital.

The accident is said to have
occurred when a car in attempt-
ing to pass another on the high-
way met a car coming from the
opposite direction. Both cars
were damaged, one being brought
to the Rose garage in Niles for
repairs.

Mr. and Mrs. J. E. Townsend
left here Wednesday for Selma,
where they planned to spend
Thanksgiving and the week end
with Mr. and Mrs. S. J. Town-
send, parents of Mr. Townsend.
They will return here Monday.

HOT TIMES NOW FOR BOY SCOUTS IN LOCAL GROUP

Club House Now Boasts
Separate Stove for
Each Room

Hot times are expected in the
club house of the local troupe of
Boy Scouts now, for the group
has recently been presented with
three stoves.

Jack Gelb donated one stove.
His idea was shared by J. E.
Ferry, who gave another. And
then along came C. E. Marten-
stein with the third. There are
just three rooms in the Scout
cottage, and now there is a sepa-
rate heating system for each.

The club house, a recent ac-
quisition of the Scouts, is being
furnished by donations from citi-
zens and organizations. Besides
the triple gift of heating appara-
tus, the club boasts of a radio
set, presented by Blakow & Sulli-
van, local radio dealers.

The new stoves were initi-
ated at the last meeting of the
Scouts, held last Friday night.
Further business included report
of the recent turkey raffle and
benefit night at the Niles thea-
ter, which netted \$40. This sum
will probably be used on improve-
ments for the club house.

Tentative plans were made for
the initiation of new members
at a meeting to be held in the
near future. No definite proced-
ure was announced, but the boys
all agree it is going to be pre-
tty terrible for the new members.

SOUZA-DUARTE WEDDING

Miss Mamie R. Souza, of Mis-
sion San Jose, recently became
the bride of Antony Duarte, of
Niles. The wedding took place
at Mission San Jose, Father Leal
performing the ceremony. At-
tending the couple were Miss
Mamie Duarte and John Andrews,
of Niles. They will make their
home here following a trip to
the north.

See Register's Christmas Cards.

NILES CANYON HIGHWAY WILL OPEN DEC. 15th STATES ROADMASTER

REOPENING of the Niles Canyon Highway on the
promised date of December 15, now appears more
certain than at any time since the Sunol Chamber of
Commerce has been behind the move to force the
work. Road Master A. C. Day informed the Sunol
group this week that his department is making its
preparations now for the beginning of the fill necessary
to close up the cave-in.

Niles Canyon Highway has, its repair work two weeks ago,
been closed to traffic since Sep-
tember when the road caved in
as a result of fire destroying the
mouth of the Western Pacific's
mile-long tunnel, over which the
thoroughfare passes. Delay was
reported during the repair opera-
tions, and until the Sunol Cham-
ber of Commerce got behind the
move to rush the completion of
the rebuilding, little or no head-
way appeared to be made.

The closing of the highway
hurt business in both Sunol and
Pleasanton, and the Sunol Cham-
ber of Commerce had the moral
support of Pleasanton merchants
in their battle to get some action
on the repair work. They would
have had more than moral aid
if such had been necessary.

It is expected that the fill will
occupy the next week or ten days
is the gap across the cave-in is
approximately eighty feet, almost
twice the distance it was immedi-
ately after the fire. Slide dur-
ing the repair work on the tunnel
caused this.

The Western Pacific Railroad
completed the major portions of

and resumed operation of trains
over its own right-of-way on Sun-
day, November 10. From the
time of the fire until that date
the Western Pacific has been
using the Southern Pacific's
tracks from Pleasanton to Niles.
It is said at the present time,
that the only thing which will
keep the highway from being
ready for re-opening on the date
promised, will be heavy rains,
now a long time overdue. Un-
less the rains, if they do come,
are exceptionally heavy, work
will go ahead according to word
given the Sunol Chamber of Com-
merce.

During the period the highway
has been closed, work on
the Clark bridge further down
the canyon toward Niles, has
been going ahead at a rapid
pace, according to reports of the
contractors, C. A. Bruce & Sons
of Pleasanton. The bridge is now
nearing completion, but a first
class detour has been constructed
and will not cause any trouble
for motorists when the highway
is opened.

COUNTY FIRE CHIEFS ORGANIZE PROTECTIVE ASSOCIATION MONDAY

Twelve Department Heads
Hold Castro Valley
Meeting

Fire chiefs from 12 principal
districts in this county met at
Castro Valley Monday night and
took the first steps in the for-
mation of a fire protection asso-
ciation for Alameda county.

Department leaders from Berk-
eley, Alameda, Piedmont, Albany,
Castro Valley, Decoto, Niles,
Pleasanton, Livermore, and San
Leandro were present. County
Fire Warden John McGlinchey
of Livermore also attended.

After a round of speeches and
discussion of the project, officers
for the new organization were
elected as follows: President,
A. E. Moir, Castro Valley; vice-
president, M. Riggs, Hayward;
second vice-president, W. F. Gra-
ham, Pleasanton; secretary, G. L.
Cuff, Berkeley, and treasurer,
W. H. Knightly, Hayward.

The executive board will con-
sist of the president and two
members to be elected by each
local department in the organiza-
tion.

Preceding the business session,
the delegates to the convention
inspected the new Castro Valley
fire house. A turkey dinner
served at the school house was
next on the program.

Chief Albert Moir of the Cas-
tro Valley fire department acted
as host. State Fire Marshal Jay
Stevens, of San Francisco gave
the principal address of the eve-
ning. Other speakers included
Chief M. G. Riggs and also the
department heads of the Alameda,
Oakland and Berkeley units.

At present there are sixteen
fire departments in Alameda
county, and it is hoped that all
will become members of this as-
sociation, according to its spon-
sors.

AMERICAN LEGION POST INITIATES AT RECENT MEET

Washington Township Post 8,
American Legion, met at the Odd
Fellows' hall in Niles Tuesday
night to initiate one candidate
and re-instate two other mem-
bers.

Plans for the dedication of the
American Legion memorial build-
ing now under construction here
were announced by L. E. Smith,
head of the executive committee.
The ceremony will take place
about the first of January.

A committee was appointed to
aid in the case of the late Geo.
Wilson, who died here last week.

Wilson, an ex-service man, had
lost his discharge papers and
the committee will attempt to es-
tablish the right of his family to
government aid.

Farm Bureau Man Speaks At Pleasanton Meeting

J. J. Duell, head of the utili-
ties department of the State
Farm Bureau federation, was the
main speaker at a joint meeting
of Pleasanton and Livermore
farm bureaus and farm home de-
partments held at Pleasanton
Friday night. Discussion cen-
tered on power and telephone
rates in relation to the farmer.

A number of Newark people attended the card party given by the Men's club of St. James Episcopal church in Centerville last Tuesday evening. Among those attending were: Mr. and Mrs. Charles Cockfair, Mr. and Mrs. Walter Rogers, Mr. and Mrs. D. Smith, Mrs. N. D. Slevin, Misses Rachel and Edith Ross, and Mr. and Mrs. Walter Wyatt.

Mr. and Mrs. Louis Ruschin, Louis Ruschin, Jr., M. D. Silva, Eugene Silva and Lois Musick attended the "Big Game" at the Stanford stadium on Saturday.

Mrs. Chas. Cockfair wishes at this time to thank through the columns of the Township Register, Mrs. W. D. Patterson, Mrs. M. B. Reynolds, Mrs. Frank Jones and Miss Julia Ruschin, who so kindly helped with the Christmas seal sale.

Miss Eva Steinhoff, Miss Louise Yockey, Miss Julia Ruschin, Miss Greta Reed and Hugh Steinhoff attended a turkey whist at Castro valley on Tuesday night.

Many of the Newark Alumnae of Washington Union high school attended the Thanksgiving ball at the Garden of Allah Wednesday evening.

Mr. and Mrs. Chas. Cockfair will spend Thanksgiving in Oakland as the guests of Miss Margaret Wales.

Miss Margaret Laudenschlager and William Laudenschlager will spend Thanksgiving in San Francisco.

Norval K. Turnbow is in Independence, Missouri, this week. He was called there suddenly last Friday on account of the death of his brother, Paul.

Mission San Jose

By Agnes Rogers and Josephine Fernandez

William Want, a pioneer of Mission, passed away Thursday night at the San Jose hospital. His many friends were shocked at his sudden death. He is mourned by all his friends and relatives. He is survived by his son, Charles, of Oakland, and a brother, Thomas Want, and several nephews. He was 81 years of age. Services were held at Centerville and interment was in the Odd Fellows' cemetery at Irvington.

Mission Indians upset the San Martin baseball team Sunday by a score of 5 to 1. Bill Telles pitched for the winners. Allowed but three hits, and Pheagle, pitcher for the losers, was hit for seven bingles. Two-baggers were hit by J. Telles and Bill Telles.

Alyos Shneider and Marie Wieser of Mission were married Sunday at the St. Joseph church. It was a quiet wedding. Father Leal officiated.

HEYER PROPOSES TO BE CANDIDATE FOR RE-ELECTION

Supervisor Charles W. Heyer of Hayward announced last week that he will be a candidate for re-election at the primary next August to the post he has filled for four terms.

Heyer took office first in 1914. Since then he has twice served as chairman of the board and was once elected president of the California State Supervisors' association. He has also done extensive work with the committee on hospitals and county institutions.

Well known in the district which he represents and a native of Alameda county, Heyer has gained a number of followers throughout the vicinity. He is engaged in business with headquarters in Hayward and Oakland.

Murieta—Plans proposed for erection of \$200,000 hot springs resort near here.

Township Register for commercial printing.

KEN MAYNARD IN STIRRING STORY ON NILES SCREEN

Talking-Singing Hit Has Early California Setting

Ken Maynard, whose hobby is collecting old songs of the West gives samples of these and also several Spanish love songs in "Senior Americano," his latest Universal talking picture, showing Saturday at the Niles theater.

As Michael Banning, United States cavalry officer, he swashbuckles his way through danger, romance and intrigue in the old Spanish West. On a secret mission to Southern California, he encounters all sorts of daring adventures, a duel or so, and a languorous Spanish senorita with soulful eyes, a mantilla and a fan, with whom the young cavalry officer falls in love.

The picture has action and romance galore. There is riding and fighting and trouble with hot-blooded Spanish rivals.

One sequence depicts a typical and extremely colorful fiesta of the sort without which no story of early California is considered complete. At the celebration, the handsome hero does a lot of trick riding and wins the golden bridle and also the attention of the lady of his heart.

"Senior Americano" was directed by Harry J. Brown. The cast includes Gino Corrado, J. P. McGowan, Frank Yaconelli and Frank Beale. "Tarzan," Maynard's famous horse, plays an important part.

Helmar Bergman and Henry McCarty are responsible for this epic of the old Spanish West and of Mike Banning, who won his way there with songs for his Spanish sweetheart and a sword edge for his foe.

Balboa—Two-story brick business building costing \$25,000 to be constructed at 511 Central Avenue.

FINEST HEMSTITCHING AND PICOT
In Pleasanton
Done by
Miss Elsie Andrade
629 First St.

Local Brevities

Mr. and Mrs. Manuel Garcia and Elizabeth Nunez of San Francisco were guests at the home of Mr. and Mrs. A. C. Garcia Sunday.

Mr. and Mrs. Al Correia drove to Oakland Sunday to visit Mrs. Alice Gabriel, sister of Mrs. Correia.

Among those to attend the big game at Stanford last Saturday were Roland Bendel and his brother, Colonel C. S. Bendel, who drove down with L. Peacock, principal of the Decoto grammar school. Colonel Bendel, who lives in Sacramento, spent the week end at the Roland Bendel home.

Our ads work while you sleep.

L. J. Duffy and Antrim Bunting were also in the throng which made the "big trek" to Palo Alto Saturday.

Mrs. Henry Orcutt, mother of Mrs. D. Marble and of Leon Orcutt of Niles, arrived recently from the East. Mrs. Orcutt, whose home is in Oneida, New York, will spend the winter here. She has not been in California since two years ago, at which time also she wintered here at the home of her daughter.

SAN JOSE

Definite Action To Remove Band Stand Looms At Last

Rewarding the strenuous efforts of civic minded residents and a long-continued campaign by the Register, a famous eye-sore is to be removed at last from the main thoroughfare of Niles.

The antiquated and dilapidated band stand, which has withstood onslaughts of wind, weather and severe criticism for some three years, now faces prospect of demolition by members of the local Boy Scout troop. Suggestion to that effect was received with favorable comment, though no definite action was taken, by the Niles Chamber of Commerce at their meeting Tuesday.

J. E. Townsend, who advanced the proposition, states the boys, for whom he is scoutmaster, are willing to do the work and receive compensation in the form of timber from the torn-up structure.

No band has played in the old stand since several months after its construction three years ago. Weekly concerts by the Washington township band under the auspices of the United Order of Druids, were tried. The movement died after repeated attempts failed to arouse community support.

And the old stand, minus mu-

sicians and paint, has remained in its place of honor 'because' until now no project for its removal received sufficient impetus and approval.

Ruth McCord To Leave Welfare Position Shortly

Mrs. Ruth McCord, executive secretary of the Southern Alameda county welfare board, has tendered her resignation to become effective January 1, 1930. The board in session last week

in Hayward accepted the resignation with much regret.

Mrs. McCord has been with the welfare board for several years and is well known throughout the county.

Social service work in a responsible capacity will claim Mrs. McCord's attentions after the first of the year. She will be engaged in this work in Contra Costa county.

Mrs. Claude Smallwood and Ernest W. Schween, Pleasanton's representatives on the board, were in attendance at the meeting.

LOCAL NEWS

A recent arrival in Niles is little Miss Mary Duarte, young daughter of Mr. and Mrs. Frank Duarte, who was born Tuesday at the Silva maternity home.

Decoto News

Woodshed Blaze Routs Volunteers Out Early

Decoto firemen, led by Roland Bendel, are ever willing to respond to an alarm, day or night, but they prefer the calls before midnight.

Last Friday morning the volunteers were roused from their slumbers at 3:50 o'clock by a fire in a shed and woodpile in the rear of A. D. Goularte's home at Tenth and I streets.

The red-wagon boys soon checked the blaze, holding the damage to a nominal sum. Prompt response to the alarm undoubtedly prevented a serious fire, however for according to Bendel, a stiff breeze was fanning the flames toward a near-by residence. Origin of the shed fire remains a mystery.

DECOTO RESIDENT FINED \$100 FOR LOCO WEED SALE

Possession of potent liquor, known as "loco weed," has caused A. Morales of Decoto much sorrow of late.

Just recently out of the county jail for selling liquor, Morales appeared before Justice of the Peace J. A. Silva at Niles last Friday on another charge of possession. He was fined \$100.

The money was paid by a friend and Morales promised the judge that he would go out of business at once.

Centerville Plans Live Christmas Tree Again

Centerville's chamber of commerce is making plans for lighting again this year the living Christmas tree which was lit up last year.

A program is being prepared for the presentation under the tree, which stands in the square near the Southern Pacific depot. Preparatory to its holiday role, the tree is undergoing strenuous beauty treatment, which includes pruning.

The Register for better printing

Eastern Star Will Install New Officers

Orient chapter of Eastern Star at Centerville will install officers at its December meeting, according to recent announcement.

The new staff is as follows: Mrs. Ruth H. Ilwig, associate matron; Earl Hellwig, worthy patron; Mrs. Sadie Hodges, associate matron; E. B. Hodges, associate patron; Mrs. Fern Mitte, secretary; Mrs. Dora Richmond, treasurer; Mrs. Tillie Gould, conductress, and Miss Jeanette Richmond, associate conductress.

CASILEWOOD CLUB IS LOCATION FOR POST-GAME EVENT

Centerville Group Makes Whoopee at Country Club Saturday

By way of aftermath to the big game at Stanford Saturday, a no-host party was held at Castilewood country club.

Among the Centerville residents who attended the affair were Mr. and Mrs. Frank Dusterberry, Mr. and Mrs. Ralph Emerson, Mr. and Mrs. George Emerson, Mr. and Mrs. Howard Chadbourne, Miss Etta Chadbourne, Mr. and Mrs. Robert Anderson and Dr. and Mrs. McWhirter.

Mr. and Mrs. Phillip Moore and Mr. and Mrs. William Eberly, both couples of Niles, were also present.

Mrs. F. O. Bunting is making an extended stay in Arizona with her daughter, Mrs. Evelyn Chandler. She is not expected to return for several weeks.

George A. Colt, of Centerville, is recuperating from an attack of tonsillitis which kept him in bed for the past week.

See Register for Xmas cards.

POLICE TAGS ARE BAD LUCK SIGNS TO 4 SPEEDERS

Tuesday was a bad day for speeders. At least it was for the four who appeared for sentence in the justice court of Judge A. G. Norris at Centerville and received fines ranging from \$10 to \$15, which they paid.

The unlucky group consisted of Jonas Ruff and Anthony Compagna of San Jose, William Ihrig of Alameda and John Hanks of Oakland. Ruff was hitting it up at 60 miles per hour when nabbed and was fined \$15. The others were caught doing 55 miles per hour. They paid \$10 each.

All four received their tags from Traffic Officer Duffy Lewis, who spotted them for speeding along the highway between Walnut Springs and the Alameda county line between five and seven o'clock Sunday evening, November 17.

Personal Items

The Misses Sybil and Antoinette Botelho, daughters of Mr. and Mrs. F. F. Botelho, arrived here yesterday to spend Thanksgiving with their parents. They will return Monday to the State Teachers College at San Jose, where the girls are in their fourth and second years, respectively.

CENTERVILLE P. T. A. STARTS WORK ON HOLIDAY BASKETS

Program Follows Business During November Meeting

Plans for preparation and distribution of Christmas baskets to be sent this year as usual to motherless homes in the district were started when members of the Parent-Teachers association met at Centerville grammar school November 19.

Mrs. Fred Rogers will direct work on the baskets, which are to contain home cooked food contributed by the P-T-A. members.

Further business at the meeting included an appeal by the president, Mrs. Clyde Anderson, for the club's cooperation with the production of the Christmas play to be presented by pupils of Washington Union high school under the direction of Mrs. George Silva. The affair was set tentatively for the evening of December 11.

Entertainment was contributed by the first and second grade Centerville grammar school pupils at the close of the business session. Two short health plays and piano solos by Helen Rogers and June Tells were presented.

PROSPECTS FOR 1930 STATE FAIR ARE EXCELLENT

Charles W. Paine, dean of the State Fair Secretaries in the United States, has been re-appointed secretary of the State Agricultural society and general manager of the California State Fair for 1930.

This was announced by A. R. Heron, director of the State Department of Finance, who approved the appointment following Paine's re-election by the director of the State Agricultural Society. Paine's salary was increased from \$4200 to \$4500 a year. His term of appointment was changed to cover the calendar year.

Paine has been officially connected with the California State Fair since 1901, when he was appointed a director of the State Agricultural Society by Governor Gage. He has served in the capacity of a director and in his present position under seven governors.

Today, Paine is known among horsemen, showmen and exhibitors as the dean of State Fair managers in the United States.

Paine is enthusiastic over the prospects for making the 1930 State Fair exceed the record-breaking fair of this year. The Fair will repeat the Western States Exposition and there are prospects of having practically every western state represented with exhibits.

STATISTICS SHOW TOWNSHIP DRYEST NOW SINCE 1870

Pleasanton township according to Weather statistics is experiencing its driest year since 1870, when there was no rainfall whatever until December. The present season tops that record so far by only .01 of rain recorded in October.

Since 1870 the average rainfall has been 1.49 inches. The only other bone-dry November on record until now occurred in 1879, when 1.20 inches of rain fell in September, however.

Rainfall data for the past ten years show that the present month is usually inclined to be a moist one. The figures, in inches, follow: 1919.....2.38 1924.....1.53 1920......33 1925......97 1921.....1.17 1926.....2.83 1922.....2.86 1927.....1.43 1923......76 1928.....2.57

THRILLS ABOUND IN FILM STORY OF LIVING SPOOKS

"Three Live Ghosts," the all-talking fun riot that out-thrills "The Greene Murder Case," and out-mystifies "The Mysterious Dr. Fu Manchu," will open Friday at the Fox Oakland theater, Oakland.

What a play it was! What a picture it is! It's thrilling, it's mysterious, and it's laughable. The action gets under way when three war buddies return home to find themselves officially dead. What they do to convince London town that they're very much alive keeps events moving along in absorbing fashion.

One ghost is a Cockney, one an American, and one can't remember who he is. But by the time they tumble in on a seance, mix with Scotland Yard and wander into the peerage they learn enough and do enough to keep the most exacting entertained.

Charles McNaughton, Robert Montgomery and Claud Allister play the "ghosts," with Jean Arthur as the girl and Beryl Mercer in the famous role of "Old Sweetheart."

A full-stage nursery with life-

size living toys is the distinctively different setting for "Baby Songs Idea," the Fanchon and Marco stage revue. Rose Valyda, the double-voiced singer, mothers the act, and the nursery inmates include Penny Pendleton and Lucille, Miller and Marx, Hermie King and his band and the Sun-kist Babies.

The Model T Ford is still a good car

THE Model T Ford led the motor industry for twenty years because of its sturdy worth, reliability and economy. Those same reasons make it a good car today.

Don't sacrifice your Model T, therefore, but take it to the Ford dealer and have him estimate on the cost of putting it in A1 shape. A very small expenditure may be the means of giving you thousands of miles of additional service at a very low cost per mile.

For a labor charge of \$20 to \$25 you can have your motor and transmission completely overhauled. This price includes new bearings, reborring cylinders and any other work necessary. Parts are extra.

Valves can be ground and carbon removed for \$3 to \$4. The cost of tightening all main bearings is only \$6. The labor charge for overhauling the front axle is \$4.50 to \$5—rear axle assembly, \$5.75 to \$7.

New universal joint will be installed for a labor charge of \$3. Brake shoes relined for \$1.50. Rear spring and perches rebushed for \$1.75. The cost of overhauling the starting motor is \$3. A labor charge of approximately \$2.50 covers the overhauling of the generator. Repainting runs from \$10 to \$25. Taking dents out of body panels and doors runs from \$3 to \$16 for labor. A fender can be replaced for a labor charge of \$1 to \$2.50. The cost of fenders runs from \$3.50 to \$5.

It will pay you, therefore, to see your Ford dealer and have him put your Model T in good running order. By doing so you will protect and maintain the investment you have in your car and get many thousands of miles of efficient, reliable transportation at a very low cost per mile.

Dr. and Mrs. Adams will have with them on Thanksgiving their son, Mr. Graham G. Adams and his wife, of San Francisco, and Master Bobby Riggs, Mrs. Adams' young cousin, who resides in Oakland. The group will spend the holiday and the week-end following together at the Adams home here.

Pleasanton School Has Termite Attack

Recent attack by termites at Amador Joint Union high school at Pleasanton is believed to be the first case recorded of the wood destroying insects' invasion of Northern California, although they have long been annoying the southern part of the state. University of California experts have been summoned to banish the termites from the school machine shop, where they demolished a girder and damaged the floor greatly.

XMAS IS KEYNOTE OF PROGRAM FOR LOCAL CLUB MEET

Christmas will be the keynote of the December meeting of the Washington Township Country club, it is announced, when the group meets Tuesday evening at the club house in Centerville.

A variety of entertainment is being planned. Groups of local school children will sing carols and will also present readings. Mrs. Pond is in charge of the musical part of the program.

Two one-act plays are being prepared under the direction of Mrs. Wade Hatch. Members of the country club will take part.

SHOOTING SPARKS CAUSE FALSE ALARM FRIDAY

Sparks shooting high into the air from a chimney at the Clarence Crane home, Niles, on Friday evening caused neighbors to fear for the safety of the house and the fire department was called out.

Investigation proved there was nothing more serious than a big, cheery blaze in the fireplace and the shower of sparks observed by the cautious neighbors had been caused by a member of the Crane household turning a big log over on its back.

CLUB MEMBERS PLAN FOR XMAS PARTY, PROGRAM

Presentation of a play, "The Camp Fire Baby," is scheduled by the local Camp Fire Girls for their meeting and Christmas party, December 13. An additional feature of the program is announced but is being kept a deep, dark secret, being revealed only as "a surprise."

Members of the club are dividing their energies just now between preparation for the holiday entertainment and work on a set of tea cloths which the girls are making as a Christmas gift to the children of the Welfare Home.

Patricia Duffy, active member of the organization, is the author of the play to be presented.

Niles P.-T. A. Arranges Final Meeting of Year

Bringing their 1929 activities to a close, members of the Niles Parent-Teacher association will meet for the last time this year on December 9. Program plans are under way and will probably include entertainment by pupils of the Niles grammar school.

Mrs. J. E. Townsend, program chairman, is in charge of arrangements for the final gathering of the group. She has urged that every member be present.

Fairfield—New store of Solano Supply and Construction opened for business in Deerborn building.

Arcata—Improvements made to Hilfiker electric building in H Street.

Inventive Boy Manufactures Radio When Set Goes Dead

Just three minutes to play. The score stood 21 to 6 in Stanford's favor. And the radio went dead.

It made Edward Braun, son of Mr. and Mrs. Harvey Braun, and a senior at the Washington Union high school, feel so desperate, he went to work and built another radio set.

Of course it wasn't done in time to hear the rest of the big game. But he worked Saturday evening and all day Sunday and the result is a brand new set, with improvements on the old. Braun is a member of the Amateur Radio Operators association

SUSPENSE MOUNTS HIGH AS YOUTH IS STRANDED IN AIR

Story Hour Group Meets
In New Quarters
93 Attend

Stranded in mid-air while falling down a dangerous precipice. That's what happened to Kayah last week when the Children's Story Hour group of Niles met for the first time in its bigger and better quarters.

Kayah is the handsome and daring young hero of "Lost Indian Magic," thrilling, chilly tale of the East, which Mrs. Roland Bendel, leader of the group and official "yarn spinner," relates in weekly installments.

According to everyone but the young man mentioned, the meeting was a big success. Its record attendance of 93 children marked another milestone for the organization, which recently overflowed its room on the top floor of the library and now makes its home in the reading room.

A small group of 18 youngsters formed the nucleus of the Story Hour when it was inaugurated in July of last year. That number was doubled almost immediately. Membership increased by leaps and bounds. This year it reached 50 and kept right on mounting. The top-floor room was filled. Then it became crowded, and at last the group has been moved downstairs.

Now there is plenty of room and the meetings are enjoyed hugely by everyone, except, of course, poor Kayah.

Comedy Pair is Held Over on T. & D. Screen

"The Cock-Eyed World," the world's greatest box-office record smasher, will open its second week at the T. & D. theater, starting Friday.

The further adventures of Flagg and Quirk, famous wise-cracking marines of "What Price Glory?" are gaily recorded in the William Fox all-talking mirthquake.

New tricks, new loves and new laughs are offered by this pair of roughnecks, again played by Edmund Lowe and Victor McLaglen. This time they talk and from all accounts it's no bedtime story that they tell each other. To them morals is only a question of geography and love a question of opportunity.

"The Cock-Eyed World" isn't a picture for grandma and the children.

Things All Go Wrong At Camp Fire Meeting

All was not as it should be when the local Camp Fire Girls held their regular meeting last Friday night at the home of their guardian, Mrs. J. E. Townsend. They called it a "backward night." The usual good-night

ceremony opened the meeting, and the regular order of procedure was run through from end to beginning.

Clothes were worn backward, and the effect resembled that of the famous Looking Glass land, discovered some years ago by Alice-in-Wonderland.

Mrs. Elmer Brinkmeyer, whose husband is minister of the Congregational church, was the guest of honor. She related the story of the "Unhappy Prince."

California Poultry Breeders To Exhibit At Hayward This Week

Displays Include Several Varieties of Prize Winning Stock

Feathered creatures representing practically every breed as well as almost every part of the state made their appearance at the annual Poultry Show which opened yesterday for a five-day run in the Native Sons' hall at Hayward.

With an enrollment of exhibitors exceeding that of any previous year and a variety of fowl including everything from the aristocratic pheasant to more plebeian natives of the barnyard, this year's display should rate a record attendance, it is predicted.

Rhode Island Reds predominate among the breeds represented. The largest individual exhibit is a group of 42 White Brahmas, entered by O. Weiman of Watsonville. Last year Weiman took the cup awarded for the best display in the show.

A total of 300 awards will be made. Judges are as follows: M. Luggstone of the University of California, White Leghorns and Rhode Island Reds; O. L. Glenn, of Modesto, Mediterranean and Asiatic breeds; M. A. Flower, Brahmas, and silkies; L. A. of Alameda, Wyandottes, and John S. Kerker, well known breeder, Plymouth Rocks.

Late Books by Child Guidance Authorities Expected at Library

Fifteen Volumes To Be Circulated Here Temporarily

Opportunity to read a group of fifteen of the latest and best recommended books on child guidance will be offered to parents of Niles through the efforts of the Parent-Teacher association, according to announcement made by Mrs. Roland Bendel, chairman of the literary section of the local association branch.

Mrs. Bendel's committee secured the set of recently published volumes to be loaned for two months each in the public libraries of Centerville, Niles and Pleasanton. At the conclusion of their circulation in this district the books will be returned to the county library headquarters in Oakland.

Centerville has the volumes now, and they will reach Niles in approximately two months. Originated last year in the Oakland council of the Parent-Teachers association, the idea of thus circulating groups of books, according to Mrs. Bendel, brings to the outlying districts books which can otherwise be secured only in city libraries. Another advantage of the plan as stated by her is that it provides for circulation of new books during their current discussion.

Following is a list of authors and books included in the group:

Aldrich, Cultivating the Child's Appetite; Bruce, Your Growing Child; Cleveland, Training the Toddler; De Schweinitz, Growing up; Drury, Fathers and Sons; Gardner and Ramsey, Handbook of Children's Literature; Gibson, On Being a Girl; Groves, The Drifting Home, and also Whole-some Childhood; Lucas, The Health of the Run-Around Child; Patri, Child Training, also Problems of Childhood; Thom, Everyday Problems of the Everyday Child, and Van Waters, Parents on Probation.

William Green Dies Of Suffocation In Auto Smashup

William Green, 37, an employee of the Hetchy Hetchy water company at its project near Sunol, was almost instantly killed last week when the car he was driving slid over an embankment on the road approximately a mile from the camp and overturned.

Green was pinned beneath the car and was suffocated to death. Green had been on a short vacation, and it is believed that he dozed at the wheel and did not realize his car was going off the road, as the tracks made by the machine show it to have gradually moved onto the loose gravel at the edge of the road and then to have tipped over. There were no traces of fast driving to be seen, or of his having attempted to apply the brakes.

Dr. M. E. Eastman at the coroner's inquest held at the Graham Mortuary Monday morning, testified that several of Green's ribs were severed and the lungs collapsed, showing that when the car turned over, some portion of it pressed against his chest. Death was caused by suffocation in the opinion of Dr. Eastman. The coroner's jury brought in a verdict of accidental death caused by suffocation brought about as a result of the crash.

Green had purchased the car only two days before the accident. He was a World War veteran and a native of Pennsylvania. The funeral services were held in Oakland.

a verdict of accidental death caused by suffocation brought about as a result of the crash.

Green had purchased the car only two days before the accident. He was a World War veteran and a native of Pennsylvania. The funeral services were held in Oakland.

THUGS ROB TRUCK DRIVER OF CASH ON MISSION HILL

Ralph Padgett of San Jose, was held up and robbed of \$64 at the point of a gun Sunday morning about 5:30 o'clock at the foot of the Mission San Jose hill on the state highway.

Padgett, a truck driver for Frank Saso of San Jose, halted his truck and stepped from the cab to find a gun pushed into his ribs and the command to stick 'em up given. There were three men in the holdup party. They made their escape in a coupe which they had parked near the place Padgett selected to stop.

Constable Albert Vervais of Pleasanton was called to investigate the robbery. Clues to the identity of the bandits are very meager as Padgett did not get the license number of their car.

why smokers graduate to

CAMELS—

The phrase "I've Graduated to Camels" originated with a Camel smoker. It expresses the experience of millions who through Camels have learned to know real smoking pleasure.

As taste in smoking develops, it naturally leads toward better quality. New smokers may not be critical but when they once experience the true mildness and surpassing fragrance of the Camel blend, they realize that here is a real superiority. It is for smokers of such discernment that Camels are made . . . for them the choicest tobaccos are selected . . . and this quality is maintained for the millions who know genuine smoking pleasure.

when they learn the difference they flock to

Camels

Natural Gas

CUTS FUEL COSTS

Straight natural gas is being served to all customers living in San Mateo, Santa Clara and Southern Alameda counties.

This natural gas contains over 1100 B.T.U's. or heat units per cubic foot. The manufactured gas heretofore served contained 550 B.T.U's. Customers are now receiving 2 times as much heat for their dollar.

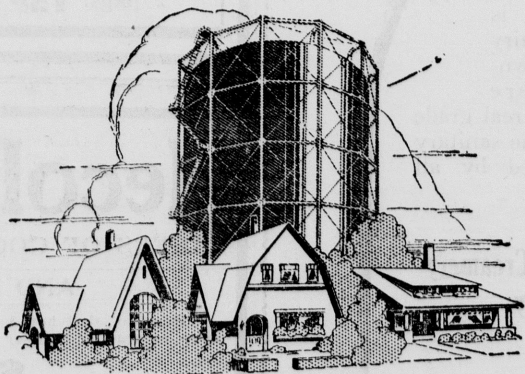

So why not take advantage of this new fuel for heating your home, as well as for cooking and water heating?

Gas-fired heating, in addition to its low cost, is convenient, care-free and a clean type of heating.

The new fuel itself, burning in modern appliances, is absolutely safe. Large industries are turning to natural gas because it is safe, clean, quick and easy to control.

Your dealer or our House Heating Department will gladly give you particulars, without obligation, on the type of gas-heating equipment best suited to your needs. Write, phone, or call our local office and a representative will respond.

Gas is cheaper — you can use more of it

LOCAL NEWS

Miss Blanche Sperbeck was the house guest last week of her aunt and uncle, Mr. and Mrs. P. A. Ellis. She is now with her mother, Mrs. Josephine Sperbeck, in Belmont.

Mr. and Mrs. John Regan attended the concert presented in San Francisco Sunday by John McCormick, noted vocalist.

Joe Camasho, employe of the International Wood Products company, recently recovered from an illness of a week and a half, returning to work Monday.

Mrs. A. A. Hatch returned recently from Southern California, where she was visiting relatives.

Mrs. J. C. Shinn was a guest of friends in Berkeley last Thursday.

Mr. and Mrs. Henry Hibner and Mr. and Mrs. James McKernan of Niles are spending Thanksgiving day at the home of Mr. and Mrs. Thomas Kerns at Clements.

RECORDS BROKEN BY CALIFORNIA TOURIST TRAVEL

California's automobile tourist crop for the first ten months of 1929 exceeded 187,000 persons, the Division of Motor Vehicles estimated this week.

Practically every part of the globe was represented in the great army of motor vehicles that came through the division's border checking or "courtesy" stations during the period.

The estimate is based on official records showing 62,486 permits for non-resident cars were issued for the year up to today.

These permits were issued to motorists who signified their intention of staying in California ten days or longer. It does not include the more than 100,000 non-resident cars which entered the state for ten days or less.

The division estimates each car brought an average of three persons into California.

Gridley—Oil and gas station at corner of Ohio and Hazel Street being enlarged.

NOTICE OF HEARING OF PETITION FOR ABANDONMENT OF PUBLIC ROADS

NOTICE IS HEREBY GIVEN to all freeholders in Washington Road District, Washington Township, Alameda County, California, that Tuesday, the 26th day of November, 1929, at the hour of ten o'clock A. M. of said day at the meeting room of the Board of Supervisors of Alameda County in the Annex of the Hall of Records of said County at the Southeast corner of Fifth and Broadway Streets, in the City of Oakland, County of Alameda, State of California, have been fixed and appointed by the Board of Supervisors of the County of Alameda as the time and place of the hearing of the petition of certain residents of said road district for the abandonment and vacation of portions of public roads in said Washington Road District, which portions sought to be abandoned are hereinafter described, when and where any person interested may appear and give evidence in favor of or against the proposed vacation and abandonment, as petitioned.

The portions of said roads so sought to be abandoned are described as follows, to-wit: All those certain lots, pieces or parcels of land situate, lying and being in the County of Alameda, State of California, and more particularly described as follows, to-wit:

All that portion of Seventh Street between the Southeast corner of G Street and the Northwesterly line of H Street as said streets are delineated and so designated on that certain map entitled "Amended Plan of Decoto, Alameda County, California," etc., filed December 1, 1904, in the office of the Recorder of Alameda County, California.

DATED this 22nd day of October, 1929.
 BY ORDER OF THE BOARD OF SUPERVISORS OF THE COUNTY OF ALAMEDA.
 GEO. E. GROSS, County Clerk and Ex-officio Clerk of the Board of Supervisors of the County of Alameda.

SUNOL

-- DEPARTMENT --

FIRE SCARE

Considerable excitement prevailed here last week during the burning of the stubble fields at the John Trimmingham place. The fire burned fiercely for a time and aroused the entire community. There was no danger, it was learned later.

ATTEND BIG GAME

Several parties of Sunol football fans attended the big game between Stanford and the University of California at Palo Alto Saturday, the majority of them returning home much disappointed as U. C. is the favored school among most Sunolites.

Mrs. Claude Freeman had in her car Miss Martha Trimmingham and John Trimmingham, Jr. Another group was composed of Mr. and Mrs. Charles West and Mrs. E. C. Apperson.

AID SAN MATEO

When the fire on the peninsula near San Mateo appeared to be getting beyond control last week, several score of men from the Spring Valley Water company at Sunol were rushed to the scene. They returned Saturday and Sunday after the blaze had been conquered.

FIRE AT KILKARE

Although there was an untold amount of smoke rolling out of Kilcare Woods Friday, the damage did not amount to much, according to the management of Kilcare Park.

The blaze was of unknown origin. Prompt action on the part of the residents of Sunol and the chemical division of the Pleasanton Fire Department kept the fire from gaining any great headway.

G. E. Rorabach was a business visitor in Pleasanton Monday.

Mrs. Joseph Leal, Miss Lorraine Leal and Mrs. A. Silver spent Monday in San Mateo.

Anthony Silver and G. E. Rorabach spent the week-end at Warm Springs where they attended Raymond Brown's fall rodeo.

A group of forty friends and relatives of Mr. and Mrs. G. E. Rorabach were entertained at dinner Thanksgiving.

Martinez — Construction will start soon on thirty-bed hospital on site north of county hospital grounds, to cost \$75,000.

LEGAL NOTICES

NOTICE TO CREDITORS
 Number 47581
 Department 4

NOTICE IS HEREBY GIVEN by the undersigned Executrix of the Last Will and Testament of Oliver C. Benbow, also known as Oliver Benbow and also known as O. C. Benbow, deceased, to all persons having claims against said decedent, to, within six months after the first publication of this notice, either file them, with the necessary vouchers, in the office of the Clerk of the Superior Court of the State of California, in and for the County of Alameda, or exhibit them to me at the law office of Thos. J. Power, Irvington, Alameda County, California, which place the undersigned selects as

Pittsburg—Tin output of Columbia Steel Company's plant here to be increased by enlargement of mill to cost approximately \$4,000,000.

Eldridge—Construction started on new double cottage at Sonoma State Home to cost \$57,000. Concrete reservoir also being constructed.

SOCIAL WORKERS WISH TO CORRECT FALSE IMPRESSION

There is no life membership in the Red Cross.

The above announcement by Red Cross authorities smashes an idea which has gained some currency here.

During the annual drive for funds, which ended yesterday, local Camp Fire Girls conducting the campaign here discovered a number of citizens who declined to aid the charity on the ground that they had already purchased permanent memberships. The welfare workers, however, report there is "no such animal," and desire to correct the misunderstanding, as it works to their financial disadvantage.

THEATER SHOWS FILM TWICE AS TRIBUTE TO TURK

As a gracious gesture to Hizoner, the Thanksgiving Turkey, the Niles theater management announces an extra performance of "Women They Talk About," talking picture which opens at the show house this evening.

Timed to follow upon the holiday dinner hour, the special showing of the film will begin at 6:15. A second performance will be presented at 8:15.

CATHOLIC BENEFIT WHIST DECLARED GREAT SUCCESS

San Francisco Woman Is Winner of Ruffled Hope Chest

A big success. That's what they all said about the card party held by the ladies of Corpus Christi church at the Odd Fellows' hall here last Friday night.

And the verdict must be correct, if numbers mean anything, because "they" represent quite a large group. There were 37 tables of whist in progress during the affair, and a host of spectators were present to cheer the players on.

Drawing the winning number for the hope chest raffle, tickets for which were sold at the card party held November 23, provided a moment of high excitement. A Mrs. Hardy of San Francisco was the lucky lady.

Mrs. Frank Mellow carried off highest honors of the evening. She made a score of 125 points and was awarded a plump turkey as first prize.

Mrs. Leon Orcutt bagged the second prize, which turned out to be another Thanksgiving dinner. In all, there were 45 prizes awarded.

IRVINGTON

Mrs. Frances Turnbow is the house-guest this week of Mr. and Mrs. Joe Blacow.

K. F. Reynolds, Stanford alumnus who hasn't missed one "big game," was a spectator at the Stanford-California classic last Saturday at Stanford.

See Register for Xmas cards.

OLDBANDSTAND SIGHS AS PAINT ODOR WAFTS BY

Thomas, the tailor, and Maddux, the barber, two popular business men of Niles, are having the exterior and interior of their shops painted this week, an improvement that will aid materially to the appearance of Main street.

The past two months have brought improvements to this town's principle business street, among the major changes for the better being the construction of a new building for the Bank of Alameda county, the painting of the Ellsworth block, alteration of the old bank building into a modern store, the painting of the tailor and barber shops and the repainting of the Wesley Hotel. The old band stand still suffers in silence, however.

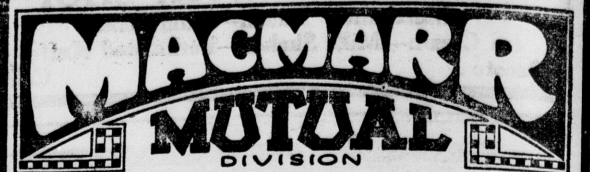

Weather is Too Torrid For Good Duck Hunting

Reports from various duck clubs in the bay and San Joaquin valley districts are not so favorable for duck hunters at the present time, according to a report from the National Automobile club.

The weather has been unusually clear and fine for this time of the year and this, coupled with a shortage of water, has prevented the coming of the northern birds. At the present, all birds are local but the later months will probably prove better as far as shooting is concerned. Wet weather will bring in the northern flocks.

Holiday cards that are different and distinctive. Come in and see our line. No trouble to show very large line. Township Register commercial printing department. N28tf.

Martinez—Pacific Tel. & Tel. Co. started program of placing underground conduits here to cost approximately \$30,000.

Here is a WIRELESS MONEYGRAM to the Public Containing Important News!

TO EVERY FAMILY in Niles and in the surrounding communities—just a word to our customers, many old friends and new:

We have been in business in Hayward for the past 19 years. At the beginning we resolved to build up our business on a foundation of four (4) main principles as a corner stone, namely, "Sterling Quality," "Good Courteous Service," "Fair Prices," and "Truth." On this foundation we arrived safely at this milestone in our business career and we have fully resolved to never deviate from this policy. We take great pride in carrying out our policy which has always been the "Golden Rule."

We are going to make this Sale a "Real Bargain Event!" We are overstocked for this time of the year and in order to protect our many customers of the past and new, we overbought in many lines.

In our launching of this Big Sale at this time of the year just before Christmas, there are some "outstanding facts" that we want to "drive home" with as much emphasis as possible during the 14 days of this Sale.

FIRST—We have secured the services of a Sales Manager and Merchandise Expert to help us re-arrange our stock and cut prices.

SECOND—To see for yourself that every article of merchandise must show a truthful price comparison and be a real and substantial saving we invite you to come and save as much as possible on your Christmas shopping at this store.

Signed: Edward A. Massa, Owner.
O. T. Butterfield, Sales Manager.

14---BIG SELLING DAYS---14

Sale Opens Friday, Nov. 29, 9:30

At the time this issue went to press we were unable to quote prices. But there will be plenty of bargains galore all over the store.
